WHAT OUR STUDENTS SAY

AMY, MONTESSORI ONLINE COURSE GRADUATE

"I'm half way through my online Montessori course. I work at a Montessori Nursery and until I started this course I never understood Montessori. My manager is really happy with me as since starting the course I'm more confident in the classroom, I also have been put in charge of the practical life shelf. I have put together resources to complete the shelf materials. I would really recommend this course to anyone working in a Montessori Nursery."

ANON, MONTESSORI ONLINE COURSE GRADUATE

"I really recommend this Montessori training centre. I have completed my Online Montessori course and my experience has been fantastic. It was so flexible it was easy to fit around my other commitments whilst I felt like I learnt more than on any other course. I hope to go onto complete my Montessori diploma with them in the near future, but in the meantime I have my certificate rather than having to wait ages to get any qualification."
