# APPARATUS WORKSHOP

9 - 10 DAYS | PRACTICAL | CPD ACCREDITED

At the face-to-face apparatus workshop you will be guided by Montessori specialist trainers where you gain hands-on experience with the Montessori materials.

As part of your studies for the Montessori Diploma, you will be required to attend the 9 day Apparatus Workshop in our acclaimed training centre in Watford.

Hosted by our Director and a Specialist Montessori Trainer, you will be shown how to accurately present Montessori materials in a learning environment with full support.

The CPD Accredited Workshop will consist of 9 intensive, practical days. Students enrolled on the Montessori Diploma will have a practical and written examination on 10th day.

**Price:** £1,100 (included in Montessori Diploma).

**Who is this Workshop for?**

This course suits Montessori Practitioners currently working in a Montessori setting that need a refresher on their practice.

**What qualifications do I need to attend the Workshop?**

There are no entry requirements attached to this training.

**What qualification will I receive at the end?**

Upon completion of this CPD Accredited workshop, you will receive an attendance certificate and credits from this course will also be transferable to the Montessori Diploma should you decide to do that at a later time or after qualifying in childcare.

**How do I pay for this Workshop?**

An invoice will be issued and this will need to be paid via BACS prior to starting the course.

**How can I book for more than 1 student?**

We currently offer Early years settings and Nurseries 5% discount on group bookings over 5 students. \*Terms apply. If you would like to book more than one student onto this workshop, please get in touch to discuss your requirements.

# WHY TRAIN WITH US?

We provide full support to our students from the day they join, to when they receive their certification. A customer engagement advisor and personal tutor is assigned to each student as their point of contact throughout their Montessori journey with us.

- All of our Montessori courses are user friendly with the most up-to-date Montessori content and practices, with step-by-step presentations, great imagery to provide our students with course content that is easy to learn from
- Our workshops are hosted by some of the leading specialists in the Montessori education who are engaging and have a passion for passion on their extensive amount of experience. We have a state-of-the-art training centre in Watford, London equipped with all the specialist Montessori Materials
- We provide full support to our students from the day they join, to when they receive their certification. A customer engagement advisor and personal tutor is assigned to each student as their point of contact throughout your Montessori journey with us.
- We are the most affordable, high-quality Montessori training provider on the market

## **SAM, MONTESSORI DIPLOMA GRADUATE AND WORKSHOP ATTENDEE**

"I have had a fantastic time at Montessori apprentice academy doing the apparatus workshop as part of my Montessori diploma. The help and support from the customer engagement advisor, the tutor and the lecturer have been invaluable at ever stage. The staff are lovely, my course mates are too".

## **JUSTIN, MONTESSORI DIPLOMA GRADUATE AND WORKSHOP ATTENDEE**

"I can't put into words how much I've gained through this course and workshop. It's not only given me the skills needed to present the materials but its helped me gain self confidence at a time when I was very doubtful of myself and my abilities. The workshop has been insightful and invaluable in developing my knowledge of the method. Would absolutely recommend this course to everyone. Thank you so much Sarah, Neena, Jenna, Andreea and all the other wonderful people whose work behind the scenes has made this possible."
